

AWARNESS ON QMS(ISO 9001:2015) TRAINING

The one-day ISO 9001:2015 QMS Awareness Training is a focused and immersive program tailored for professionals seeking a condensed yet comprehensive understanding of the ISO 9001:2015 standard. This training is designed to equip participants with the knowledge and practical insights necessary to navigate the intricacies of Quality Management Systems.

TRAINING COURSE CONTENT

- **Introduction to ISO 9001:2015**

Delve into the foundational concepts of ISO 9001:2015, exploring its significance and principles. This segment establishes a common understanding of the standard, laying the groundwork for more in-depth exploration.

- **Navigating QMS Framework**

A detailed examination of the ISO 9001:2015 Quality Management System framework. Understand the structure, requirements, and the interplay of each element, providing a holistic view of how QMS operates.

- **Practical Application Scenarios**

Move beyond theory with practical application scenarios. Engage in hands-on exercises and real-world case studies to apply ISO 9001:2015 principles, ensuring a tangible and applicable understanding.

TRAINING METHODOLOGY

- Interactive Learning Approach
- Scenario-Based Learning
- Open Discussions and Q&A Sessions

TRAINING DELIVERABLES

- Course materials (handouts, slides, reference materials).
- Certificates of completion for participants.
- Practical tools/templates for reliability analysis and improvement.

OBJECTIVES

- **Deepen Understanding of ISO 9001:2015**

The primary objective is to deepen participants' understanding of the ISO 9001:2015 standard, ensuring they grasp its principles and significance within the broader context of quality management.

- **Practical Application Mastery**

Empower participants to confidently apply ISO 9001:2015 principles in real-world scenarios, bridging the gap between theory and practical implementation.

- **Cultivate a Quality Mindset**

Inspire participants to foster a culture of quality within their professional environments. By aligning with ISO 9001:2015 principles, individuals contribute to the continuous improvement of organizational processes.

DURATION OF TRAINING ONE MAN DAYS

63, Ishan Park Society, Atak-Pardi,
Valsad - 396007
